

**A** thank you message from Party in the Pines organizers: Well...2010 is a wrap! Was an awesome weekend. Thanks so much for all of you for coming to the rally and hope you all will make plans for 2011 Party in the Pines...planning has already started. Many thanks to the 200+ volunteers that work hundreds of hours planning and making each one better than the last! Thank you Dean Arnold of Henderson, Texas who kindly donated back \$500 of his winnings for our grand prize drawing of \$1,000 to Party in the Pines! Longview Child Development Center is truly grateful and so are we! When answering the question posed as to how many bikes were there... "over 3,500 folks, 325 bikes in our parade. Best guess would be around 2,000 bikes."

Events included: DJ, vendors, Dyno-Drag runs, Ride Like a Pro classes, parties, poker, live bands, guided rides, high stakes joker runs, bike show, bike games, biker bingo, belly dancers, beer tents, food, and their famous Patriotic Bike Parade with a salute to our military. And they're already working on next year's event so watch their website (or our magazine) for updates as they set their plans in motion for 2011.

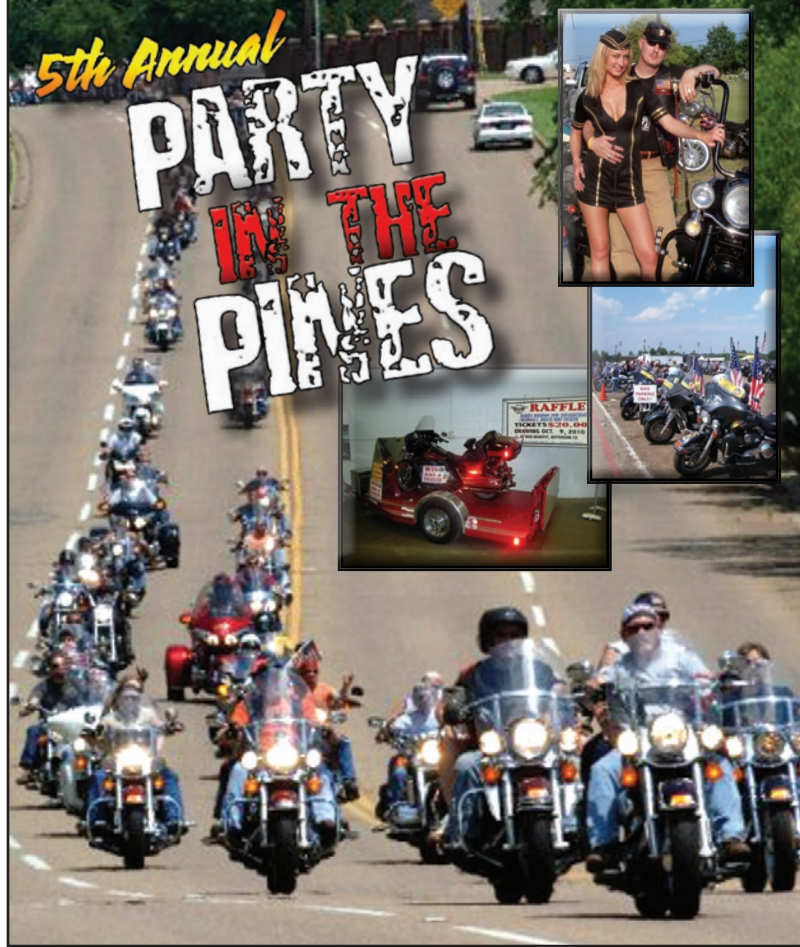

Some comments from those who attended:

"We came to the rally last year, in a car because of the rain. This year we rode our motorcycles all the way from EL Dorado Arkansas, it was a blast. We had had plans to stay one night, we stayed for the whole rally, and we had a great time."  
~ John T

"WOW HAD A BLAST! We were there from Thursday to Monday Morning. Saw old friends and family, and met new friends. The Joker run was fun and the parade, was awesome. I like the control you guys have on the rally. We always have our family at this one, because of this reason. All the vendors were great people. My son was e...ven one up on stage dancing with Mustang Sally lol. Then Sunday Night we just chilled and listen to the Modoc band. Looking forward to next year!"  
~Rhonda S

This rally was just awesome...loved looking at all the bike's. "The racing was interesting... never been to a bike race before....can't wait until next year!!!"  
~ Rhonda C

"We had a great time at the Party in the Pines rally this year, already looking forward to next year's party! Special thanks to Prescilla for your help with the helicopter ride--hope to see you out there next year!"  
~ Brent S
