

Joker's Wild

A biker's greatest achievement was his brood of six kids. He was so proud that he continually called his wife: Mother of Six, which pissed her off a lot. But he kept referring to her as Mother of Six no matter where they went. At end of a poker run, he shouted across the bar, "Hey, Mother of Six, you ready to go home?"

His irritated wife screamed back: "Anytime you're ready, Father of Four!"

A 3-year old boy examined his testicles while taking a bath. "Mom", he asked, "Are these my brains?" the mother sighed and calmly replied, "Not yet".

You know you're a biker if...

- You think GOD invented winter just as a good time to get your bike painted.
- You have ever found a grasshopper in your beard.
- You have a refrigerator in the garage just for beer.

Martha Stewart's Tips for Rednecks

- Never take a beer to a job interview.
- Always identify people in your yard before shooting at them.
- It's considered tacky to take a cooler to church.
- If you have to vacuum the bed, it is time to change the sheets.
- Even if you're certain that you are included in the will, it is still considered tacky to drive a U-Haul to the funeral home.

The boss of a Madison Avenue advertising agency called a spontaneous staff meeting in the middle of a particularly stressful week. When everyone gathered, the boss, who understood the benefits of having fun, told the burnt out staff the purpose of the meeting was to have a quick contest. The theme: Viagra advertising slogans. The only rule was they had to use past ad slogans, originally written for other products that captured the essence of Viagra. Slight variations were acceptable.

About seven minutes later, they turned in their suggestions and created a Top 10 List. The top 10 were:

10. Viagra, Whaazzzzz up!
9. Viagra, The quicker pecker picker upper.
8. Viagra, Like a rock!
7. Viagra, When it absolutely, positively has to be there overnight.
6. Viagra, Be all that you can be.
5. Viagra, Reach out and touch someone.
4. Viagra, Strong enough for a man, but made for a woman.
3. Viagra, Home of the whopper!
2. Viagra, We bring good things to Life!

And the unanimous #1 slogan:

1. This is your peepee... This is your peepee on drugs.

With all the laughter and camaraderie, the rest of the week went very well for everyone!

EVER WONDER...

- Why women can't put on mascara with their mouth closed?
- Why you don't ever see the headline "Psychic Wins Lottery"?
- Why "abbreviated" is such a long word?
- Why doctors call what they do "practice"?
- Why Noah didn't swat those two mosquitoes?
- Why they sterilize the needle for lethal injections?
- Why they don't make the whole plane out of the material used for the indestructible black box?

A group of Texas friends went deer hunting and paired off in twos for the day. That night, one of the hunters returned alone, staggering under the weight of an eight-point buck.

"Where's Henry?" the others asked.

"Henry had a stroke of some kind. He's a couple of miles back up the trail," the successful hunter replied.

"You left Henry laying out there and carried the deer back?" they inquired of him.

"A tough call," nodded the hunter. "But I figured no one is going to steal Henry!"

Regarding the year 2020, a senior at Texas Tech was overheard saying, "If he end of the world comes, I hope to be in West Texas. Everything happens here 20 years later than the rest of the civilized world!"
