

Bluewater Highway

From the Lone Star Rally, take a scenic trip down the Bluewater Highway. FM 3005 runs the coastline from Galveston to Surfside. There is a toll bridge, so be prepared to stop and pay for your passage. It's a great summertime ride. Very relaxing.

From the Lone Star Rally, take the Seawall, heading West, until it ends and turns into

Termini-San Luis Pass Rd. Simply continue on down until you hit Surfside. And don't worry, the roads are rebuilt along this route after Hurricane Ike.

You will still see the impact of Hurricane Ike, but you'll see some beautiful coastline and enjoy peaceful riding.
